

VISIONFUND INTERNATIONAL PRESENTS...

WHAT'S NEXT FOR DIGITAL FINANCIAL SERVICES?

INNOVATIVE LENDING WITH PURPOSE

As part of Financial Inclusion Week 2016, on Wednesday 19 October VisionFund International is hosting a webinar to discuss how it uses technology to lend to smallholder farmers at the right level, and at the right time.

VisionFund is one of the world's largest microfinance networks, and is focused on serving the rural poor. The organisation

is continuously developing its technology offering in order to increase financial inclusion.

The webinar will be held at 9am and 5pm GMT on Wednesday 19 October to accommodate different timezones.
